However, Unspecified Settled Forest (under Hapoli Forest Division) comes across the proposed Project, therefore avoiding the USF area is practically not possible. The USF area involved (**0.813839ha.**) is the minimum requirement for the project. Since, the proposed **CONSTRUCTION OF DUMPING GROUND/ LAND FILL, SOKANG AREA UNDER ZIRO-I CIRCLE (AT 12KM BETWEEN ZIRO-TAMIN ROAD)** is an integral part of the main Pilot project which aims to improvement of the cleanliness of Urban areas and better keeping provision for health hazardous to Flora and Fauna , also special provision for the safety of environment pollution as per “**SWACHH BHARAT MISSION and Municipal Solid Waste Management Rule 2016 Guidelines**”, therefore , it is mooted to apply for forest/wildlife clearance as per MoFF guideline special ground.

Therefore, owing to the factors as mentioned above, it is found justifiable to locate the project in forest land but also ensuring minimum damage to the forest and environment with keep in mind for safety of health hazard.
