Adverting to the references cited above, it is submitted that vide reference 6th cited, the Ministry of Environment and Forests, Regional Office (South Eastern Zone), Cathedral Garden Road, Nungambakkam, Chennai has issued Stage-I approval for diversion of 24.80 Ha forest land in erstwhile Warangal District for improvement to the existing road from Km 121/0 to 154/0 of Nakrekal to Mallampally Road of NH-365 in favour of Executive Engineer (R&B), NH Division, Warangal vide F.No.4-TSC021/2016-CHN/0812, dt:06.06.2017.

In this regard, in continuation to the reference 16th cited, the following conditions stipulated in Stage-I approval shall be complied with and condition-wise compliance report as shown below:

1. Legal status of the diverted forest land shall remain unchanged.
2. The demarcation of the proposed forest area shall be carried out by erecting 4 feet high cement concrete pillars duly numbered at an interval of 20 meters at the cost of User Agency.
3. The Compensatory Afforestation (CA) shall be raised and maintained by the State Forest Department over 50.0 Ha identified degraded forest land in Compartment Nos. 596 & 597 of Jakaram-I Reserve Forest, Pandikunta Beat of Mulug Range at the cost of User Agency.
4. The State Government shall charge the Net Present Value of the diverted forest land measuring 20.53 ha from User Agency as per the orders of the Hon'ble Supreme Court dated 28.03.2008 and 09.05.2008 in IA Nos.826 in 566 with related IA's in Writ Petition (Civil) No.202/1995.
5. Additional amount of the Net Present Value (NPV) of the diverted forest if any, becoming due after revision of the same by the Hon'ble Supreme Court of India in future, shall be charged by the State Government from User Agency.
6. The funds received from the User Agency towards Compensatory Afforestation and Net Present Value under this project including levies towards mitigation measures for Wildlife Conservation etc shall be deposited in the respective bank account of the Telangana State CAMPA. **The User Agency shall compulsorily deposit the CA and other levies only by generating challan through the Ministry's website.**
7. Identified CA land and approved CA scheme shall not be changed without the prior approval of the Central Government.
8. Trees standing in the diverted area shall be felled strictly as per requirement with prior permission of the Divisional Forest Officer concerned.
9. The User Agency shall dig trenches on either side of the road in order to avoid any further encroachments on the road side.
10. The construction of culverts / bridges, if any, over the natural streams / rivers / canals, should be done in such a manner that it does not hamper the natural course of water, does not give rise to water logging and also not hamper the movement of wild animals.

11. There will be speed breaker on the road within the wildlife areas / wildlife crossings, along with frequent signage reminding cross of speed limits and the damage of wildlife hits.
12. Roadside cutting and filling which require engineering support shall be provided as per the instructions of the DFO concerned so as to stabilize the soil.
13. The muck generated in the earth cutting if any, will be disposed off at designated dumping sites and in no case the muck/debris will be disposed off in the forest areas.
14. The State Forest Department shall translocate the trees, wherever feasible instead of felling at the cost of User Agency.
15. As recommended by the Standing Committee of NBWL, State Government shall implement standard mitigation measures brought out by the Wildlife Institute of India with adequate over-bridges and under-passes and conditions prescribed by the State Chief Wildlife Warden at the cost of User Agency.
16. The User Agency shall arrange to raise avenue plantation all along the roadside and central verge at the project cost with maintenance of 7-10 years.
17. The forest land proposed for diversion shall under no circumstances be transferred or subleased to any other agency, department or person without prior approval of the Central Government.
18. The layout plan of the proposal shall not be changed without the prior approval of the Central Government.
19. Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the User Agency to ensure that the labourers and staff engaged in execution of work do not destruct nearby forest flora and fauna.
20. The total forest area utilized for the project shall not exceed 20.53 Ha. and the forest area diverted shall not be used for any purpose other than those shown in the diversion proposal.
21. User Agency and the State Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines, for the time being in force, as applicable to the project.
22. Any other conditions that the Central Government or Additional Principal Chief Conservator of Forests (Central) of Regional Office, Chennai may impose from time to time in the interest of Afforestation, conservation and management of flora and fauna in the area, shall be complied by the User Agency.
23. The Progress of the Compensatory Afforestation as mentioned by the DFO in Sl.No.14 of Part-II i.e., non forest land 4.916 Ha. shall be monitored by the Circle Head and a copy of such monitoring report shall be forwarded to the Regional Office to upload the same in the web portal.
24. The User Agency shall submit the annual self compliance report in respect of the above conditions to the State Government and to the Regional Office, regularly.
25. In the event of failure to comply with any of the above conditions the User Agency is liable for penal action as decided by the Additional Principal Chief Conservator of Forests (Central), Regional Office, Chennai.

After receipt of the compliance on the above mentioned conditions the proposals will be considered for final approval. Transfer of Forest land to the User Agency shall not be affected prior to the issue of final approval. This in-principle approval shall be valid for a period of 5 years. In the event of non compliance of the above conditions, this in-principle approval shall automatically stand revoked after (5) years.
