HEIGHTS & CONTOURS IN METRES
CONTOUR INTERVAL 20 METRES
Water features are shown in blue where they generally contain water.
Contours are shown in brown, except where they are shown in green, indicating a forested or protected area.
Contours are approximate.
A relative height, etc., represents the approximate height, in metres, between the top and bottom of a steep slope.
Wooded areas are shown in green, but prominent trees are in black.
The original heights and contours in this sheet have not been adjusted to the height of the spot-surveyed benchmarks and may not be strictly in accordance with them.
