1. The project for construction of Narore to Kainthgali road Km 1st to Km 5th RD 100 has been proposed under NABARD RIDF-XXIII and is being executed by PWD (R&B) Division, Udhampur. Some stretch of this road i.e Km 3rd RD 195 to Km 3rd RD 230 and Km 3rd RD 305 to Km 3rd RD 445, Km 3rd RD 610 to Km 4th RD 950 passes through forest area. The said road from Narore to Kanithgali takes off from Km 7th PMGSY link road which is connection to Gandala Tirshi road Km 5th Gandala Tirshi road is connected to Sambal Gandala road under PMGSY at Km 8th which is connected Km 65th of NH-1A. The road passes through the village such as upper Chakhar, Sambal, Tirshi, Nareore, Kainthgali etc. covering population of more than 10000 souls and also serves as circular road/ alternate road to Tehsil HQ Panchari & Mongri.
This road connects three assembly segments namely Udhampur, Chenani & Reasi and acts as a life line for the vast area. As the area is backward & lack of all modern amenities and will boost/ enhance the living standard of the public of the area by constructing good road.
2. Forest area cannot be avoided as the alignment proposed is the only feasible alignment providing vital connectivity to the hamlets.
3. Hence, the diversion of the forest area land is the only choice to construct the road.
