CERTIFICATE / JUSTIFICATION

This is to certify that Sorna feeder canal project is connected through RBC canal of Bawanthadi project. The water from feeder canal will be fed from an escape cum CR at RD 16500 M into a feeder canal of total length 1.33 km upto the junction of existing main nallah and total length of proposed diversion is 3.99 km from escape cum CR upto FTL of Sorna Medium Project. Hence there is no alternative other than proposed alignment.

Place: - Bhandara
