

**JUSTIFICATION FOR LOCATING 132KV LINE FROM LEIMATAK TO
NINGTHOUKHONG**

The 132 kV S/C transmission line on D/C towers from Leimatak to Ningthoukhong (9.66 km) for supplying power to the 132 kV sub-station coming up at Ningthoukhong passes through forest area covering a total area of 16.79 Ha. For stringing of the line, 37 nos of towers are to be erected along the route within the forest area. While conducting survey of the route of the line, many alternatives routes were considered. The selected route is the shortest possible route with minimum disturbance to forest area.
