Justification for locating the project in forest area.

Forest diversion proposal has been prepared considering stringent guidelines of Forest (Conservation) Act, 1980 and Forest (Conservation) Rules, 2003. While considering the project Location, East coast Railways Authority had taken utmost care to have minimum forest area avoiding Reserve / Protected Forest enroute Railway Line near Nayagarh Station.

All merits and demerits of the terrain on the basis of forest involvement has been duly taken care by East Coast Railways.
