

## **Justification Certificate.**

M/S. Rajiv Tribal Quarry LCC Society Ltd., is proposed to consider for grant of Mining Lease for Laterite over an extent of **16.39Ha** in Tadepalli Protected Forest in **Sy. No. 37 & 38, Compt. No. 750** of Tadepalli PF, D. Velamalakota Beat, Seethapalli Section, Foulkspeta (Sudikonda) Range in Foulkspeta (Sudikonda) Range / Rampachodavaram Division in Andhra Pradesh for a period of 20 years.

The Laterite Mineral is found in the Forest Area i.e. Tadepalli PF situated in Rampachodavaram Territorial Forest Division jurisdiction of Alluri Sita Ramaraju District is having abundant reserves for possess good quality of Laterite. There is no other area having Laterite reserves are available in the nearest vicinity. Therefore, we have applied for mining of Laterite in the Forest area.

As per our estimation 53.40 Lakh tones of material can be extracted in a period of 20 years. The soil will be excavated and material will be extracted and transported in a safe manner. Direct employment to nearly 200 to 300 persons can be generated throughout the mining period apart from Direct employment several other allied / indirect employments is expected to be generated. With this there will be lot of economic benefits, by way of upbringing the poor and backward villagers and labourers. It is also taking all environmental safety measures in extraction of mineral and process.
