

## FORM-A

Form for seeking prior approval under section 2 of the proposals by the State Governments and other authorities.

### PART-1

(To be filled by user agency)

#### 1. Project Details:

(i) Short narrative of the proposal and project/scheme for which the forest land is required:

Bihar State is progressing on the path of rapid development. As basic, physical and social infrastructure is improving significantly, economic development is also taking place at very fast pace. The economic development of society coupled with increased prosperity levels results into increased power consumption levels. It is anticipated that per capita power consumption in Bihar will increase significantly and reach to the national average level in years to come, thereby increasing power requirement manifold. The power transmission system for Bihar State is being developed and strengthened to cater such increased power requirement.

The Subject transmission line is part of Power transmission system development and strengthening scheme of Bihar State being implemented under Phase IV part – I of the Bihar State transmission system strengthening & development programme. The subject line when executed will improve power availability reliability and quality significantly in Sheikhpura district and Munger and its nearby areas/ districts. More than 10 Million people are expected to be directly benefited from the line through improvement in quality of power. Apart from its indirect benefits to the education, economy, trade, commerce, industry and agriculture are immense.

The above line crosses the SH-83 in Nawada Forest division, Sheikhpura-Sahpur Road, Arha-Sheikhpura Road, NH-333A, SH-16, in Jamui Forest Division and SH-8, Malaypur-Barahat Road, NH-333, Kenuhat-Ratanpur Road, Laxmipur-Jhajha Road Gaighat-Sangrampur Road, NH333 Kharagpur-ChhotkiHathiya Link Road in Munger Forest Division.

- (ii) **Map showing the required forest land, boundary of adjoining forest on a 1:50000 scale map:**  
Enclosed as Annexure – 1.
- (iii) **Cost of the project:** 90.04 Crore Approx.
- (iv) **Cost - benefit analysis:** Enclosed at Annexure-3
- (v) **Employment likely to be generated:** This project is a part of Phase IV part I of the Bihar State transmission System strengthening and development programme. With the completion of this project the power availability reliability and quality improve significantly in Sheikhpura and Munger district and its nearby areas/ districts thus industries in these regions will grow and employment will be generated in large numbers.
