

Justification for locating the Project in forest land

, The road Garh-Meerut-Baghpat-Sonipat road adjacent which the proposed bridge and approach is located was constructed before its notification under protected forest. The bridge/approach is to be constructed on P.W.D. land/it adjacent land under hon'able Chief Minister Declaration no. GH110000667AY-92/2013. Besides there is no alternate suitable site for the project.
