

GT Sheet No 43 O/4

The map displays a topographic representation of a region in the Himalayas, characterized by brown contour lines indicating elevation. A prominent blue line represents a river, labeled 'Yābu' at its upper course. The 'IRI LĀLI FOREST' is a large, dark-shaded area on the left side. To its right, the 'DAMNOT' area is labeled. A survey route is marked with a red line and green dots, numbered 0 through 11. The route starts near point 0, passes through points 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, and ends at point 11. Other geographical features include 'Dhansāla' at the bottom left, 'Khetāk' at the bottom right, and 'Talāni, Kot' in the center. The map is framed by latitude coordinates ranging from 33°7'40"N to 33°8'35"N on the left and right edges.
