JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

"Construction of 33 KV Transmission Line Lothiyana GSS to Proposed 33/11 KV Mandesara GSS, Tehsil- Rawatbhata, District - Chittorgarh (Raj.)". route is passing through the forest land and possible efforts were made to avoid the forest land by **Ajmer Vidhyut Vitran Nigam Ltd. Rawatbhata (Raj.)** but between lothiyana and mandesara big forest blocks is exists, hence due un-availability of Row without forest land involvement transmission line can't complete.

It is further stated that no any other route in feasible and forest land involved in the proposed transmission line alignment is bare minimum.
