Presently the villagers (Villagers of 04 number Villages, Burgad, Thaklad, Vilekh & Fatgali with the population of 783) have to walk through a distance of 6-7 km to meet their daily needs, as there is no road connecting the village,. Due to the non-existence of any road connectivity, the lives of the villagers are in constant danger as there are no medical services which could be provided to them even in case of emergency such as maternity. Further, due to non existence of the road connectivity the area remains backward in all respects. The main occupation of the villagers residing in this village is animal husbandary and agriculture. The villagers are forced to carry their cultivated crops such as *Haldi, Adrak, Mirch, Lahsun, Dhan*, Fruits, Vegetables like Potato etc. on their feet or by mules to the nearby market. Proposed road start from Km 11 (Rawaikhal) of Baijnath-Bageshwar-Berinag M/Road and will be Connect *Vilekh* village after construction of this proposed motor road.

If the road connectivity is provided to the villagers it shall enhance the social and economical development of this area and migration of the people from village shall be minimized. The forest area falling in the proposed alignment of the road is 6.953 hect. has been surveyed to the minimum and also the alignment of the road has been proposed in such a manner that there shall be a minimum of tree faling. Other than the proposed alignment for the road, there is no such alignment which shall reduce the diversion of forest area or falling of trees.
