

### **Note on Coal Dispatch from Gondulpara Coal Mine**

Gondulpara coal mine is located in North-Eastern part of North Karanpura Coalfields and falls within the administrative jurisdiction of Hazaribagh district of Jharkhand State. The Gondulpara Coal Block is allotted to Adani Enterprises Ltd. (AEL), through the commercial coal mining auction process by Vesting order no NA-104/10/2020-NA, Dated 08.03.2021 from MoC, GOI.

The nearest railhead is BES station, about 10 kms from the block, on the Ranchi Road-Hazaribagh rail section. Also, Charhi railway siding is located at 22 kms from the block on the Ranchi Road-Hazaribagh rail section. Bes or Charhi rail sidings shall be used for the dispatch of coal through rail corridor. ROM coal from pit head to Bes or Charhi railway sidings shall be transported via road transport. The existing road shall be strengthened and widened in consultation with state Govt. authorities. Also, wherever necessary, roads shall be constructed to bye-pass villages. Since Gondulpara coal mine is allocated for commercial mining purposes; the coal produced from the mine will be dispatched to different clients as per their preferred destination.
