Setting up of 4G Telecommunication Towers & Laying of Optical Fibre Cable under Universal Service Obligation Fund (USOF) - Govt. of India for mobile coverage of uncovered villages in Narmada District of Gujarat State

Dist. Narmada - 0.7010 Ha.

Certificate for the minimum use of Forest Land and justification for locating the project on forest land

To establish Telecommunication Network in the uncovered villages of Distract Narmada, RJIL is going to install mobile Tower & lay underground Optical Fibre Cable Route in the Forest land of *Shoolpaneshwar Wilde life Sanctuary and Eco sensitive zone area.*

Land area / No Objection Certificate are requested for Setting-up of Telecom Tower as well as for laying Optical Fibre Cable route in Forest Land which requires the bare minimum land for the project requirements.

Since the Telecommunication Infrastructure is the key of Communication during the Disaster Management and also most beneficial to the Government offices, Strategic establishments and for larger benefit of the Local Public.
