A Kirloskar Group Company

Enriching Lives

### DETAILS OF END-USE MINERALS

M/s Kirloskar Ferrous Industries Limited (KFIL) is producing pig iron which is raw material for foundries and castings of International quality. Its Koppal Plant has an installed Pig Iron manufacturing capacity of 391,400 TPA and Casting capacity of 108,000 TPA near Bevinahalli village of Koppal Taluk and Dist., Karnataka. At present, company is procuring iron ore from other mines through e-auction conducted by the Monitoring Committee.

The company had participated in the e-auction of 'C' category mines conducted by the Department of Mines and Geology and became the preferred bidder by quoting the highest bid for Sri M/s BHARATH MINES AND MINERALS ML No: 2245 (Swamymalai Block Ranajithpura Village) Sandur Taluk, Bellary District over an extent of 28.332ha.(24.470 ha for mining activity and 3.862 ha for road purpose)

CEC fixed the production capacity of 0.124MTPA based on available reserves in the mine. The mine was purchased for captive consumption to have its own source of raw material. The entire production shall be consumed at their plants in Bevinahalli Village, Koppal Dist of Karnataka State.
