JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA.

The C/O Govt. Polytechnic Jandaur in Tehsil Jaswan Distt Kangra. The various alternatives were studied in detail, keeping in view the cost effectiveness, ecological disturbances etc. Three different alignments were explored for construction of the above mentioned C/O Govt. Polytechnic Jandaur in Tehsil Jaswan Distt Kangra.

- 1st alignment was rejected due to large number of trees coming in this alignment.
- 2nd alignment was rejected due to the reason that local villagers houses coming in this alignment and the proposed project is far from the vicinity of the market as well as road and also maximum involvement of forest land is coming in this alignment.
- 3rd alignment was adopted because the site is nearby the vicinity of the market as well as road and involves minimum forest land in the proposed project.

No other viable alternative is available for the project, so it has to be as such being located in forest land. It is certified that every possibility has been explored and the final alignment has been requested in favour of C/O Govt. Polytechnic Jandaur in Tehsil Jaswan Distt Kangra
