

PROJECT NOTE

As per Govt. of India policy it was planned to lay OFC Cable for reliable communication from remote places to district / state head quarters. By laying O F C Cable media connectivity can be provided to farther remote area.

As per of Govt. of India's policies, priority has been given to tribal under developed areas. OFC has been proposed from

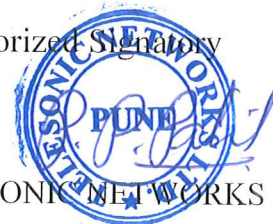

- 1) Parola To Chorwad Phata Road On SH - 01
- 2) Muktainagar To Ruikheda Road On MDR - 24 &
- 3) Ruikheda To Shirsale On MDR - 25

Tal - Parola & Muktainagar Dist. Jalgaon. Dist. Jalgaon. An under developed town to district headquarters. Enroute village can also be connected by this project. This route has been approved by the TNL H/Q. to complete in the year 2012-2013.

In the order to provide this The Optical Fiber Cable has been proposed to be laid through Open Trenching, HDD Methos. And in case of Culvert, Bridge and Road Crossing protection of GI/RCC Pipes and concreting has to be provided.

Aim of this project is to provide high-speed data & media connectivity to the people of under developed areas with reliable and high-speed media connectivity.
