➤ Justification for locating the project :-

The other all possible alternatives were examined by us. There is Water supply pipeline for Farming at Kuravati in Kuravati Village.

So we have decided to take necessary permission under the Provision of the Forest (Conservation) Act, 1980, hence this proposal is submitted for necessary clearance.

We are aware of the fact that, such Forest Land comes under the purview of the provisions of the Forest (Conservation) Act, 1980, making it incumbent on the State Government to obtain prior approval of the Central Government under the provision of the said Act, Hence, this proposal is being submitted for further necessary clearance.

However, the proposal may please be moved to the higher competent authority for further necessary sanction.
