The map is a historical document showing a village layout. It features numerous small, irregularly shaped plots, each labeled with a number. The plots are separated by thin lines representing plot boundaries. A thicker line outlines the entire village area, representing the village boundary. A prominent red line, representing a pipeline corridor, runs diagonally across the lower portion of the map. A green shaded area, representing a forest corridor, is located near the bottom left. Handwritten Urdu text is visible throughout the map, including at the top and bottom. A legend at the bottom right provides a key for the symbols used: a blue dot for 'Georeferenced B', a red line for 'Pipeline Corridor', a black line for 'Village Boundary', a thin black line for 'Plot Boundary', and a green rectangle for 'Forest Corridor'. A scale bar at the top right indicates distances of 100m and 50m.
