

KERALA ROAD FUND BOARD
We build track that lead to torque

Office of the Executive Engineer, Project Management Unit, Kannur Division.
email: eeknr.pmu@krfb.org

Justification Letter

Hill highway in Kannur district starts from Cherupuzha and ends at Boys town. The proposed RoW for hill highway construction is 12.m. In the stretch from Ambayathode to Boys town forest area of 0.429 Ha. to be diverted for making the carriage way to hill highway standards. This is the only route admitted by the forest department for widening and connecting hill highway from Kannur district to Wayanad district.
