

CHECK LIST SERIAL NUMBER:-09

JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

Diversion of 08-05-98 hect. Of forest land is required for construction of Himani Chamunda Passenger Ropeway Project. This ropeway is being constructed to develop Chamunda area as a tourism attraction for the devotees. This will cater the need of nearby population and boost the local economy. Since the entire beneficiary area is surrounded by forest land hence all the alignments had to necessarily pass through forest area in order to achieve the primary objective of linking the area through convenient mode of transport. Hence there is no escape from use of the forest land. For the construction of Himani Chamunda Passenger Ropeway Project 08-05-98 hect. Of forest land is required to be diverted.
