

Government of Goa
Office of the Executive Engineer,
Electricity Department,

Division VII, Curchorem Goa Pin Code 403706

E-mail: ee7-elec.goa@nic.in Ph: 0832-2650632, Fax: 0832-2650011

Name of the Project:- Work of conversion of existing 11KV overhead Netravali feeder to 11KV U/G cabling network emanating from 33/11KV Vaddem substation in Sanguem constituency under the jurisdiction of Elect. Sub Division-III, Sanguem.

Date of proposal: 11 / 12 / 2020

COST BENEFIT ANALYSIS

- 1]. The projects will benefit approximately 1510nos. of LT consumers of villages like Toudou, Verlem, Netravali etc. as they will get uninterrupted power supply.
- 2]. There will be increase in the revenue collection due to reliable power supply to the consumers.
- 3]. The proposed UG Cable will be laid along the road side thus it will be easy for maintaining and attending faults.
- 4]. Transmission losses and maintenance cost will be reduced.
- 5]. The existing HT electrical network will be dismantled, as such there will be hardly any chances of electrocution to any animals in future.
- 6]. The proposed UG Cable laying route is along the roadside hence no trees cutting will be done during execution of the work.

Date: 13 / 04 / 2022
