

## JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA

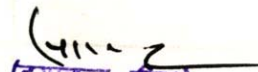

Proposed Road Alignment for “**Construction of Missing Link Road From Udaipura Road to Toda Bheem Road**” . This Road to connect Udepura side locality to Toda Bheem side habitation area ,there is only one road which passes through Balaji Temple front area. During day hours entry of traffic remain closed near Balaji temple . At the time of ARTI at even pedestrians could not pass through the Existing road.

To provide connectivity from Udepura side locality to Toda Bheem side area construction of **Missing Link Road** is the only option. There for construction of **Missing Link Road** is Proposed.

1. Due to the prevailing route, trees will not be harvested.
2. In this route forest land is minimum .

Keeping all these facts in mind, the alternative route is not required. It is further stated that the area of forest land involved in the proposed alignment for “**Construction of Missing Link Road From Udaipura Road to Toda Bheem Road**” is bare minimum.
