Contours are approximately 8-m intervals. A relative height, z , represent the approximate height, in meters, between the top and bottom of a steep slope. In Davidson's District of Chittagang State most of the hamlets formed part of a village are known as *patras* named after the founder of each hamlet. The hamlet in which the headman of the village lives is known as *Patidhara*. Administrative set up of newly formed Chittagang State shown on this map is as per the Madhya Pradesh Reorganisation Bill, 2000 of Bill No. 96 - P - 2000.

A. Compared from 1:25,000 survey D74-12.
