2	Mitigative Measures for Planting Low height evergreen shrubs with shallow roots on the both sites of the pipeline to shelter to small wild animals shall be taken every (2) meters and maintenance up to 7 years	Rs. 33,34,700/-																						
Total		Rs. 75,34,700/-																						
xviii	The User agency shall use existing paths and roads for laying of pipeline and no new laths / roads are to be formed	Undertaking to be given by the user agency																						
xix	Minimal disturbance should be ensured by creating labour camps outside the forest area as far as possible and it will be the responsibility of the UA to ensure that the labourers & staff engaged in execution of work do not destruct nearby forest flora & fauna	Undertaking to be given by the user agency																						
xx	The total forest area utilized for the project shall not exceed 3.655 ha and the forest area diverted shall not be used for purpose other than those shown in the diversion proposal	Undertaking to be given by the user agency																						
xxi	The user agency should make provisions of water to wildlife at designated places along the route passing through forest areas, in consultation with Telangana Forest Department. Such provision should be made at intervals of 2 Km each. The Chief Wildlife Warden is advised to develop a master plan to use the proposed pipelines for supply of water to the wildlife Precautions have to be taken to avoid concentration of livestock at the water point.	Undertaking to be given by the user agency																						
xxii	The Progress of the Compensatory Afforestation as mentioned by the D.F.O., Bellampally Division in Sl. No 12 (v) (a) & (b) part II i.e., 94.510 ha of forest land and 106310	Undertaking to be given by the user agency																						

	monitoring report shall be forwarded to the Regional Office to upload the same in the web portal	
xxiii	User agency and the state Government shall ensure compliance to provisions of the all Acts, Rules, Regulations and Guidelines for the time being in force, as applicable to the project	Undertaking to be given by the user agency
xxiv	Any other conditions that the Central Government or Addl. PCCF (central) of Regional Office, Chennai may impose from time to time in the interest of Afforestation, Conservation and Management of flora and fauna in the area shall be complied by the user agency	Undertaking to be given by the user agency
xxv	In the event of failure to comply with any of the above conditions the user agency is liable for penal action as decided by the Additional PCCF (Central) Regional Office Chennai	Undertaking to be given by the user agency

Further, the User Agency is requested to comply with the following accordance with the Government of India instructions issued vide F.No.7-23/2012-FC, Dt.24.07.2013 communicated vide PCCF's Rc.No.45921/2001-F4, Dt.23.08.2013 and publish the orders at the cost of the project proponent.

1. Publish the entire forest clearance granted in verbatim along with the conditions and safeguards imposed by the Central Government in two widely circulated daily newspapers, one in vernacular language and the other in English language, so as to make people aware of the permission granted to the project proponent for use of forest land for non-forest purpose.
2. The copies of the Forest Clearance should also be submitted to the Head of local bodies, Panchayats and Municipal Bodies by the project proponents in addition to the relevant offices of the Government who in turn has to display the same in 30 days from the date of receipt of this reference.

Further the Superintending Engineer, TDWSP (RWS&S) Circle, Nirmal is requested to furnish the **copies of Paper clippings about the publishing of forest Clearance etc.**, as instructed by the Prl. Chief Conservator of Forests TS Hyderabad vide reference 1st cited the said reference along with its enclosures are enclosed for ready reference.

The user agency is requested to upload the demand notice at forestsclearance.nic.in and generate challan through the Ministry's Website, after approval by Nodal officer and then deposit the above amounts against the challan generated. Step-by-step process for depositing the funds is available at forestsclearance.nic.in. and report compliance.

Further it is also informed that, this in-principle approval shall be valid for a period of 5 years. In the event of non-compliance of the above conditions, this in-principle approval shall automatically stand revoked after 5 years.

Therefore it is requested to refer all the references in connection with this case at utmost care and furnish the required information as called in this case urgently for taking further course of action.

Hence, the Superintending Engineer, Telangana Drinking Water Supply Project, (RWS&S) Circle, Nirmal is requested to furnish the compliance report along with NPV and other payments particulars / copies of paper clippings about the publishing of forest clearance etc., and **submit the condition wise compliance report to this office** for obtaining Stage-II (final) approval from the competent authority.

The transfer of forestland to User agency **shall not be affected** prior to the issue of final approval (or) working permission whichever is earlier.

Early action is requested.

Yours Faithfully,
