Date: 15.12.2020

To,

The Nodal Officer,  
Guwahati

**Sub:** Transportation plan of hydrocarbon produced, if any, during the initial production testing from exploratory location **TLAB**.

It is to inform that no oil is produced during exploratory drilling. However, it is proposed that the mineral (hydrocarbon) surface during initial production testing, if any from exploratory location **TLAB** will be transported through tankers, from the well site to the nearest Group Gathering Station GGS)
