Authorization Letter

"BharatNet Project (earlier called NOFN)" is being implemented by BBNL under DOT (Department of Telecommunication, GoI). BSNL is the executing agency for NOFN project. This Project is part of "Digital India" plan of GoI, being monitored by PMO & Time bound. Under this NOFN Project scheme of Phalodi, four Gram Panchayats (GPs) are presently pending to be connected. Forest Department permission is required for route from "Phalodi BSNL Telephone Exchange to Beethadi GP".

It has been planned to lay optical fiber cable in duct, adopting various methodologies like HDD, open trench and other methods which require construction of a fiber optics backbone link. The work will be carried out as per laid down standard, policies and guidelines of the authority for laying the OFC cable. We have already submitted requisite document for the permission to lay the optical fibre cable along with route diagram.

It is certified that during execution of OFC laying work of Phalodi block from Phalodi BSNL Telephone Exchange to Beethadi Gram Panchayat along the NH-11 road (ROW), no damage will be done to forest plantation. If any requirement to cut plantation arises, the work will be carried out as per Forest Department direction and guidance. The estimated cost of Project is approx. Rs. 21356999/-. Copy of approval is enclosed herewith.
