

Date: 07.07.2021.

To

The Principal Chief Conservator of Forests,
Aranya Bhavan ,
Saifaguda,
Hyderabad.

Madam,

Sub: For diversion of 1.3217 Ha of Forest Land in Zapthi Singampally Reserved Forest of Siddipet Division & District of Medak Circle for formation of approach road Hyderabad to Karimnagar Highway to the agricultural lands situated at Singaipally and Annasagar Villages of Siddipet District and Turkapally Village of Shamipet Mandal of Medchal District in favour of Sri N Sudhakar Reddy and Others -submission of proposals – Reg.

Ref: Principal Chief Conservator of Forests Telangana state Hyderabad
Lr.No: Rc.No. 7142/2021/FCA1, Dated:29.06.2021.

Please refer to your office letter cited above wherein, the undersigned was advised to submit the proposal for diversion of forest land under Forest (Conservation) Act, 1980 along with all the necessary documents, besides uploading the application online.

Accordingly, we hereby submit the proposal as mentioned in the rules governing FC Act-1980 for kind perusal in (6) Sets. We submit the full justification in the relevant coloum for seeking diversion of Forest land of **1.3217 Ha** in part-I of Form-A.

It is also to submit that we have explored the entire alternatives for formation of road through non-forest land and only after exhausting all the options, we have proposed this formation of road through Forest area. The proposed road was in use by the villagers to reach the agriculture lands for the last so many years and only recently the Forest Department officials have dug trench along the boundary stating that the area in question is forest land.

In-order to avoid any further legal complications and to have a legal road we are submitting the proposal as our case is genuine and kindly be considered by taking the following facts in to consideration:-

1. We are not causing any loss or harm to the habitation of forest including wild life as the forest land proposed under Diversion is completely on the Edge/boarder line boundary of Reserve Forest and it is devoid of any flora and fauna.
2. The proposal has also been uploaded on the Ministrys website, acknowledgment copy is enclosed for ready reference.
3. We have identified non-forest land for Compensatory Afforestation and ready to hand over the same to forest department.

As there are no alternatives to reach the project site we are proposing for diversion of Forest land to an extent of 1.3217 Ha from the boundary (edge) of the Reserve Forest.

We also hereby enclosing a demand draft for Rs.6,000/- drawn in favour of Joint Secretary, CEFNARM, Dulapally, Hyderabad towards verification and authentication charges of DGPS survey data, as demanded in the reference cited.

Yours faithfully,

Authorized signatory.
Sri N Sudhakar Reddy,
Acuthapur Village of Yelal Mandal,
Vikarabad District.

Copy submitted to the District Forest Officer, Siddipet District and Conservator of Forests, Medak for favour of kind information and with a request to let us use the access path which was in use by us for the last so many year and we are ready to pay the required amount as demanded by Forest Department.

Copy submitted to the District Forest Officer, Vikarabad District and Conservator of Forests, Rangareddy for favour of kind information and with a request to inspect the non-forest land identified by us and prepare and submit CA scheme proposals to the PCCF office.

Yours faithfully,

Authorized signatory.
Sri N Sudhakar Reddy,
Acuthapur Village of Yelal Mandal,
Vikarabad District.
