

Toposheet Map showing Additional forest land diversion required for Eastern Yamuna Canal falling in Shambli District for "Four-laning of Panipat-Shahuli Junction with NH-44 at Panipat-to Shahuli Existing Km of NH-44 at Panipat-to Shahuli (Existing Km of NH-709AD in the State of Uttar Pradesh Package - 1 (0.000 to 35.580)".

This figure is a detailed topographic map of a portion of India, specifically the State of Uttar Pradesh. The map shows a complex network of roads, rivers, and administrative boundaries. Key features include the Ganges River flowing through the center, numerous smaller rivers and streams, and a dense network of roads. The map is color-coded with brown for land and blue for water bodies. Numerous place names are printed in black capital letters, such as Lucknow, Varanasi, and Allahabad. A prominent feature is a large area labeled "UP" in the center. The map includes a grid system with horizontal and vertical lines, and various scales and labels along the right edge.

Legend

- Proposed Forest Area to be Diverted
- Khandrauli District Boundary
- Eastern Yamuna Canal
- Roads
- Proposed RoW

The map shows a rectangular area labeled "Khandrauli Dist". Inside, a green shaded region represents the "Proposed Forest Area to be Diverted". A blue line marks the "Khandrauli District Boundary". A red line represents the "Eastern Yamuna Canal". Several grey lines represent "Roads". A thick black line represents the "Proposed RoW". Handwritten labels include "PILU - Baghpat", "PILU - Mishra", "Surya Kumari - Singh", "GO 3700 70 - Singh", "Ghazipur Holes", "Tughlaq Qila Path", and "Foot bridge". A scale bar indicates 5 km.
