

Survey of India Toposheet 43 $\frac{K}{15}$ for CA Site

The map is a topographic representation of a region in India, specifically Toposheet 43 K/15. It shows a network of roads, rivers, and contour lines indicating elevation. Several settlements are marked, including Deolmarg, Agsi, Khar, and Shidaul. The CA Site is highlighted with a black outline and an arrow pointing to it from the label 'CA Site' at the bottom right. The map also shows the Deolmarg Forest, Agsi Forest, and Khar Forest. The border of China is indicated on the right side of the map.
