

JUSTIFICATION

The Construction work of the project in question i.e Link Road Harizan Basti Kalehri is being executed as per SCSP. This road has already been constructed through Un classed forest Kalehri and Thana within Forest Division (Suket) Sunder Nagar.

The alignment of this road stand approved by the joint inspection Committee comprising Conservator of Forests Mandi, Superintending Engineer 1st Circle Mandi, Sub Divisional Magistrate Sarkaghat, Divisional Forest Officer (Suket Division) Sunder Nagar and Executive Engineer B&R Division Sarkaghat (Joint inspection report attached).

The alignment of the road passes through the Forest land to approach villages namely Kalehri, Thana and Baldwara. The alignment has been done through forests land in such a way that there is nil number of trees falls in this road. *The alignment of this road has to pass through forest land as there was no alternative land available in the close vicinity of road.*

It is further emphasized that this road will be a permanent asset to the entire area .It will connect the adjacent Sub- Divisional offices Sarkaghat / Sunder Nagar and district Mandi. Hence the construction of this road through the Forests is fully justified.

Assistant Engineer,
Baldwara Sub- Division,
HPPWD Baldwara.
B&R Division
