**Sub:- Regarding Permission for Laying of Optical Fibre Cable (OFC) with  
HDD Technology.**

BSNL ( Deptt Of Telecommunication) has planned to lay Optical Fiber Cable From **BSF Chowk Ferozepur to Telephone Exchange Kotakpura via Faridkot** to provide uninterrupted & advanced services to the customers.

So you are requested to kindly accord permission to lay optical fiber cable by means of open trench of size(0.45m X 1.65m) in countryside area and by HDD(horizontal directional drilling) method in built up area by digging pits of size(1M X 0.45m) at the extreme edge of the road boundary, in the proposed OFC route as mentioned in the enclosed line diagram.

Necessary BT bill may please be submitted to enable us to arrange the payment for issue of permission at an earliest.

An early action is requested.
