

CHECK LIST SERIAL NUMBER:-10**JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA**

The C/O Setting Up of National Disaster Response Force (NDRF) Battalion in Tehsil Balh, Distt. Mandi H.P. has been proposed and during finalization of area for the said project, various alternatives were examined in detail, keeping in view the cost effectiveness, ecological disturbances etc. Three different sites were explored for construction of the above mentioned project.

1st Site was rejected due to large number of trees coming in the alignment of the project.

2nd Site was rejected due to the reason that the site was not technically feasible for the said project and no road facility is available in the said site.

3rd Site is selected due to technically suitable and feasible as per the requirement of the project and less number of trees are being affected by the project.

No other viable alternative is available for the project except 23.97 Ha. Forest land (3rd Site). It is certified that every possibility has been explored and the final site has been requested in favour of proposed project i.e. C/O Setting Up of National Disaster Response Force (NDRF) Battalion in Tehsil Balh, Distt.
