Proposal No. FP/JK/Road/46659/2020

(JUSTIFICATION LETTER FOR FOREST AND DIVERSION)

1. The project for the construction of road from Padhri to Bhal Padhri District Doda, UT of Jammu and Kashmir Length=10.00Km sanction under CRF. The whole road passes through Forest Land and connects to Bhal Padhri which is of famous tourist destination. By the construction of this road on its completion will provide connectivity to the Tourist destination of Bhaderwah and adjoining area of Bhallesa.
2. The proposed area can not be avoided as the alignment proposed is the only feasible alignment which provide vital connectivity to the above mentioned tourist destination.
3. As the whole alignment passes through the Forest and this is only feasible alignment which covers lesser forest and lesser no. of trees then any other alignment.
4. Hence the area under proposed alignment is only the choice for the construction this road.
