

FULL JUSTIFICATION FOR LOCATING THE PROJECT IN FOREST AREA  
(UN-AVOIDANCE OF THE FOREST AREA FOR THE PURPOSE)

The existing road between Haliya to Nagarjunasagar is narrow BT road and has been declared as National Highway and the road is not to the national highway standards and cannot handle the increased highway traffic. The road length of 0.935 Km passing in the reserve forest is a part and parcel of NH565 and needs to widen it to national highway standards. There is no alternative path for the same. Now after declaration of NH the road from Km 1/0 to 86/057 which is passing in Nalgonda district is sanctioned for improvements and it is essential to widen the road length of 0.935 Km passing through reserve forest to give good connectivity between the two states Telangana and Andhra Pradesh.
