PROPOSAL FOR DIVERSION OF FOREST LAND

Proposal for diversion of forest land for C/o Govt. Senior Secondary School Building as well as play ground at Ladagi (Kwaithach- Sauh).

0.5294 hectares of forest land is required for construction of Govt. Senior Secondary School Building as well as play ground at Ladagi (Kwaithach- Sauh). but the education department has neither enough accommodation nor wide play ground at the present premises for the facilities of the students therefore the education department proposed the said site measuring 0.5294 hac comprising in Tukra No. 1 at Kwaithach –Sauh in order to provide open environment as well as appropriate atmosphere to the students. The site in question has con-jointly been inspected and recommended by the concerned department viz Education, Revenue as well as Forest. The proposed site for the purpose is barest minimum and fully devoid of trees as is evident from the joint inspection report & other relevant document. Which may please be considered as final and approved accordingly
