ORDER

The Chief Engineer (Generation) as per the letter read above reported that period of lease of the forest land taken on permanent lease for setting up of power house at Peppara in Nedumangad taluk under forest Division, Thiruvananthapuram for a period of 10 years from 2002 expired on 2012. The Chief Engineer (Generation) further reported that the lease agreement for the land which was taken on lease from Forest Department since 1990 was renewed twice and the agreement with the forest authorities was executed by the then Executive Engineer & Special Officer, Civil Division, Lower Meenmutty SHEP, Pacha, Palode. Since the office of the authority who executed the agreement with the Forest department is reported to be no longer in existence, a proposal for renewing the lease of forest land for further 10 years has to be forwarded to the Forest Department for approval before executing the agreement. The Chief Engineer suggested that the Executive Engineer, Generation Division, Seethathode may be authorized to execute the agreement with Forest Department on behalf of KSE Board and requested sanction for the same.

Having considered the above, sanction is hereby accorded authorizing the Executive Engineer, Generation Division, Seethathode, to sign on behalf of the Board, the agreement with the Forest department for lease of forest land for Peppara SHEP.
