

Justification Note

Manekhind MI Tank, Tal Shahapur, Dist Thane

The site for any irrigation project like Manekhind Scheme is selected after carrying out scientific and technical study of the site. The site of Manekhind scheme is also finalized after the study of water potential as 75% dependability & 50% dependability. The site at in forest is selected on the basis of topographical advantage, geotechnical suitability, requiring minimum forest land and minimum disturbance to the surrounding habituated areas and considering techno-engineering aspect..
