**Subject: Construction of 160 meter double lane motorable bridge over nallahJhajjar on PantalJhajjar Road Km 1st from Jhajjar Side (Under CRF) under Public Works Department, Katra in State of Jammu and Kashmir (U/T).
Regarding issue of Forest Rights Act (FRA) Certificate for Forest Land Coming in the Construction of 160 meter double lane motorable bridge over nallahJhajjar on PantalJhajjar Road Km 1st from Jhajjar Side (Under CRF)**

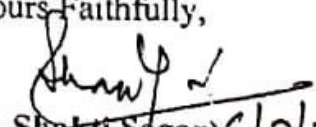

Madam,

Public Works Department (PWD) (R&B) Division, Katra is working on the construction of 160 meter double lane motorable bridge over nallahJhajjar on PantalJhajjar Road Km 1st from Jajjar side in the Union Territory of Jammu and Kashmir. At present there is no approach road to link the bridge from Km 1st because the alignment of proposed approach road is passing through a small forest patch which needs to be diverted for non-forest use.

Therefore, it is requested to issue Forest Right Act (FRA) certificate for forest land coming along the proposed approach lane of 160 meter motorable bridge. On receipt of this online submission of forest clearance proposal will be done.
