JUSTIFICATION FOR LOCATING THE PROJECT IN REVENUE FOREST LAND

Construction of 132/33 KV Sub-station is proposed in forest revenue land at village Akatkanhar खसरा नं. 32/1 पटवारी हल्का नं. 10 रानिम.व. तहसील-मोहला Dist - Rajnandgaon which contains rectangle shape of land size 125 x 125 meter and near to Mohla town where low voltage problem persists as per our norms. Hence this land is found most suitable to meet our requirement, no other than above land is found suitable by our inter department land selection committee of CSPTCL.

DETAILS OF ALTERNATIVE LAND

This region is covered with thick forest. It may be seen in khasara map of the proposed land for acquisition, this land is having small trees (छोटे झाड़ का जंगल) and this land is declared for habitation (आबादी घोषित). However alternative land at khasara No. 360 village manikpuri Dhenu, khasara No. 158/3 (बड़े झाड़ का जंगल) & khasara No. 1/1 at village Akatkanhar (बड़े झाड़ का जंगल) was also examined. But not found suitable due to thick forest & heavy undulated area.
