COST BENEFIT ANALYSIS

Evaluation of Benefits:-

1. Navodaya Vidyalaya requires lots of land for all kinds of buildings. The land in a forest area is easily available.
2. The location of the school is well connected through road and railways. The hospital is also not very far away. It will save money of school and the government.
3. Loss due to diversion of forest is nil because the area is not densely forest. There are no big trees. Only some bushes are found there.

There will not be any harm to agriculture because agricultural activities are not going there. The land is not fertile.

4. There is no question of displacement of population because area is free from any encroachment and population.
5. Loss of animal husbandry is Nil.
6. Cost of human resettlement is Nil
7. Loss of public facilities and infrastructure is Nil
8. Losses due to soil erosion, wildlife habitat etc. is Nil
