

JUSTIFICATION

To ensure proper development of inviolate area for tiger habitat i.e the Bori Sanctuary, relocation of the existing Suplai village from the core area is desirable. The relocation will make available 113.330 hect. Land from Suplai forest village. Out of 200.00 hect. Exclusively meant for desirable meadow and approximately 100.00 hect. Area around vicinity of village will also be herbivores, and simultaneously will from prey-base for the carnivores. Other adverse biotic factors would be reduced to minimum. Hence enabling the eco-system to strike on equilibrium.

The rehabilitated villagers will be provided with the necessary financial and social benefits in addition to infrastructural facilities. For evacuation of villages and resettlement of affected persons 79.939 hect. Of forest land will be diverted for the use at new rehabilitation site. This area includes the agricultural land, @2 hect./family. For construction of house, other community development programme and nistar facilities. other land is available in the vicinity of proposed land.

Since the rehabilitation is proposed to be done in the compartment of the Reserve forest land, so prior sanction to divert, the forest land for rehabilitation purpose, is a legal obligation.

This document contains a proposal to seek prior approval of the State Govt. to divert the 79.8 hect. Of forest land for rehabilitation of 40 families of village. Sulpai of Bori Sanctuary is a unit of Satpura Tiger Reserve Hoshangabad District Hoshangabad, M.P Entire package amount is 15 lacs/family Total 40 family units, 30 under option-II & 10 under option-I . For these 30 units under option-II 79.939 hect. Land is required for relocation s villages have given there willingness for compt. PF-273 of Range Sohagpur of Hoshangabad Territorial Division.

The resettlement of the existing village from core area is proposed with the consent of villagers.
