

ANNEXURE-4

Copy of the note containing justification for locating the project in protected area

Project area is not situated in protected area of Gudekote Sloth Bear Sanctuary or any other wild life sanctuary. The proposed Project area is situated at a minimum distance of 8.01 Km from the boundary of Gudekote Extension Sloth Bear Sanctuary , towards North West direction. Hence as the Project Site is within 10Km default ESZ from Gudekote Extension Sloth Bear Sanctuary we are applying for Wildlife Clearance.

Signature of project proponent
