Justification for location the Project in forest land and details of alternatives examined

M/s Jio Digital Fibre Ltd (A company Promoted by Reliance Industries Ltd), formerly have got license to install and operate fibre for Broadband Wireless Access Services (4G) and implement Fibre to Home Networks across 23 States.

With a view to ensure connectivity, company is laying Optical Fibre Cable along the road side as per the agreed policy of Government of India and as per GO No. 1485/ 9-2012-161a/12dated 15.10.2012 .

Since, the Fibre is to be connected end to end in District Almora along road at Hill Side on road Almoraghat to kathpudiya Machkhali pathariya someshwar road of Almora Forest Division totalling 112 km and total area required is .57Ha to lay Optical Fibre Cable . It is the minimum requirement of Forest land and there is no alternative for this Forest land.

We have done survey and found that no tree felling will be done in the said project and since it's a linear project it will be done along road side.
