JUSTIFICATION

The Government of India through National Highways & Infrastructure Development Corporation Limited (NHIDCL) have decided to undertaken improvement of Imphal-Moreh road section of NH-39 (new AH-02) under Asian Development Bank (ADB) funded South Asia Subregional Economic Corridor (SASEC) Investment Program.

This project includes improvement of Imphal-Moreh Road section of NH-39 to 2 lane standard from Khongkhang to Moreh (29.516km) in district Chandel. This project also includes improvement of alternate alignment of Imphal-Moreh road section on NH-39 to 2 lane with paved shoulder standard from Sita to Khudhengthabi (24.340 km) in district Chandel. These alignments are being improved to meet development demand of the region. The improvement proposal for the project road will be on existing road alignment. In forest areas efforts have been made to keep widening options for road alignment within available Right of Way (RoW). However, it was not possible to improve upon within available RoW and additional land acquisition envisaged. This is to meet the minimum requirement of the geometric design parameters in accordance with the design specifications specified by the Indian Road Congress, the additional land from the forest department is proposed for acquisition.
