

Annexure – IX

Name of Project : Diversion of 10.80 Ha. Protected Forest Land of Road Side For Construction of Pagdandi on Ahmedabad-Viramgam-Mandal-Dasada-Panchasar-Shankheshwar road, District: Patan in Gujarat State.

Certificate for the minimum use of Forest land and justification for locating the project on forest land

The project road starts point Km 106/400 at Panchasar- Sami road and end point Km 118/400 at Ashadhi prashwanath Jain derasar, Shankheshwar SH-18. The project road development will aim at Constructing of journey for pilgrims. The option of both side widening of existing 2 lane with paved shoulders to 4 lane with hard shoulder considered for improvement project so as to utilize the existing right of way *(ROW) as far as possible. The existing Right of Way (ROW) is the property of Roads and Buildings Department, Government of Gujarat, but it declared as protected forest by forest department. The quarries, haul road and borrow area have not been located in any reserve or protected forest nor within any protected forest areas. In both side almost care was taken to minimize the impact on the natural environment including forest. There is no other alternative alignment is feasible for this project. Part of this land is required for the project.
