Bilaspur (C.G.)

(R.K. Singh)

We take this opportunity to introduce ourselves as the leading and renowned manufacturer of industrial explosives in the country serving explosives industry. Since more than four decades with its quality products.

Our commercial explosives Division is the country's Largest explosives and detonators manufacturing facilities (8 plants) around India its Hyderabad plant is the largest detonators facility in the world (192 million per annum) the cartridge explosives are manufactured as Rourkela.

We have magazines at Tilda, Village-Biladi for storage of explosives and accessories and as per required of the mines in C.G.

Storage and dispatches is done as per prescribed rules and regulation of PESO, Govt. of India, explosive department. More over we never manufactured any explosive in the proposed area not we plan to do the same. we can use magazine only for storage and dispatch to mines requirement as per prescribed rules and regulation of PESO Govt. of India explosive department.
