

PROJECT NOTE

This is certify that

I am residing at sonala tq Malegaon dist. Washim that my own field survey no. 29, at sonala tq. Malegaon dist. Washim. I have to get the water for cultivate the field from the sonala Dam but as per my survey and knowledge, it come to know that , the pipe line should have bring within the forest area. That forgetting the pipe line the permission of forest department is necessary. Hence the above purpose U/sec 19 of provision of forest conservation act 1980 I have made project for granting permission from the concern authority. After getting due permission I can get pipe line from forest department area and I will properly cultivated my above mentioned field.

Hence this certificate.
