Subject:- Justification letter for Forest/Wild Life Land Diversion.

1. The project for construction of road from Ganjote to Phalni Part II, Package No JK14-572, Stage I, Length = 30.24 KM has been sanctioned under Phase XI. Some stretches of road pass through the Forest/Wild life areas. The road namely Ganjote to Phalni Part II has takeoff point from village Shikari i.e. end point of Part I of the road. The construction of this road will benefit whole population of the area connecting 10 No of habitations of about 5000 souls.
2. Forest/Wild life area cannot be avoided as the alignment proposed is the only feasible alignment providing connectivity to the hamlets.
3. Hence, the diversion of the Forest/Wild life land is the only choice to construct the road.
